**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I, Paul T. Hohe, receive my internet thru a small ISP because it's pricing is competitive. I previously used both Verizon and later AT&T providers, and found their prices far less competitive, plus their contract requirements were onerous.

I have been informed that some large ISPs are petitioning the FCC to make it more difficult for small ISPs to compete.

Please do not approve a reduction in broadband competition.

Thank you,

Paul T Hohe
